A. PUBLIC AND OFFICIAL RECOGNITION OF ACCOMPLISHMENT

11 February 1947, 1800 hours. (reception very bad)

1. "In the Mongol Sunubator League (Outer Mongolia, unlocated) during the general assembly of the Union of the Revolutionary Mongol Youth, a resolution was passed telling all the propaganda-agitation sections, as well as all the cells, how to improve the propaganda work among the worker classes of the (Outer) Mongol people. It is necessary to give all Mongol workmen political education as well as knowledge of how to accomplish the first Five Year Plan in economic and cultural development. The responsibility for the accomplishment of that work must be the duty of the secretaries of the branches (cells) of the sections. The members of the Union of Mongol Youth must organize general meetings twice a month....and as soon as (their important) works are finished, they are to write about them on the wall newspaper and on the Black-Red Board (sic), and besides that to present the monthly account concerning those works to the committee of the League....."
2. "The Town Commercial Trust of the 18th and 13th stores, from 1 to 15 February, successfully surpassed the plan of the social competition by 153% and merited the worthy praise of the government...."
3. "The workmen of the 12th Workmen's Association of the Town Union, from 1 to 15 February, successfully surpassed their plan (for social competition?) by 115% to 305%, as an example to others...."

20 February 1947, 1800 hours, Ulan Bator

4. "The Workmen's Association of the Union of Mongol Tailors, from 1 to 15 February, surpassed the plan of social competition by 110%. The Workmen's Association of Shoemakers surpassed the plan of social competition by 200.1%. Especially good, working actively and sur-

Economic

8. "During the last several years the Mongol people have increased their production as well as improved the social economy (sic) and prosperity of the Mongol People. At the present time the Mongol people, the workmen, the masters, the engineers, and the technicians have unanimously begun to accomplish the first Five Year Plan in order to develop the economic and cultural life of the Mongol people. During the Five Year Plan many dwelling houses, as well as many industrial and educational establishments and enterprises, will be constructed in the towns and villages of (Outer) Mongolia.....The number of hospitals and other establishments of such a nature will be considerably increased in order to help the Mongol people keep their health in the proper way. According to the Five Year Plan the number of cattle will be increased to 34 or 35 million heads. But besides that, it is necessary to improve the nature of the cattle, as well as to increase the production of cattle...."
